Members of the Board of Directors
and Management
Intergovernmental Personnel Benefit Cooperative
Lake Villa, Illinois

Ladies and Gentlemen:

As part of our audit process, we are required to have certain communications with those charged with governance at the beginning of our audit process and at the conclusion of the audit. Those communications include information related to the planned scope and timing of our audit, as well as other information required by Statement on Auditing Standards (SAS) No. 114. Our communication at the beginning of our audit process along with our questionnaire regarding SAS No. 99, *Consideration of Fraud in a Financial Statement Audit* was sent to you in October 2022.

SAS No. 115 requires the communication of internal control related matters to those charged with governance. Our management letter, as well as a listing of future pronouncements that may affect the Cooperative, are enclosed within this document.

This information is intended solely for the use of the Executive Director, Chairperson, Board of Directors, and management of the Intergovernmental Personnel Benefit Cooperative and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Sikich LLP

December 21, 2022

Members of the Board of Directors
and Management
Intergovernmental Personnel Benefit Cooperative
Lake Villa, Illinois

Ladies and Gentlemen:

We have audited the basic financial statements of the Intergovernmental Personnel Benefit Cooperative (the Cooperative) for the years ended June 30, 2022 and 2021. Professional standards require that we provide you with the information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 29, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Cooperative are described in Note 1 to the financial statements. No new accounting policies were adopted during the year ended June 30, 2022. We noted no transactions entered into by the Cooperative during the year for which there is a lack of authoritative guidance or consensus.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The estimate of claims payable is a particularly sensitive estimate made by management during our audit of the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We noted no such misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the basic financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated December 21, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Cooperative's basic financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Cooperative's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We applied certain limited procedures to the management's discussion and analysis and claims development information, which is required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the other supplemental data which accompanies the basic financial statements but is not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the basic financial statements.

We compared and reconciled the other supplemental data to the underlying accounting records used to prepare the basic financial statements or to the basic financial statements themselves.

We were not engaged to report on the introductory and statistical sections, which accompanies the basic financial statements but are not RSI. We did not audit or perform other procedures on this other information and we do not express an opinion or provide any assurance on it.

This information is intended solely for the use of the Members of the Board of Directors and Management of the Intergovernmental Personnel Benefit Cooperative and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate the courtesies extended to us by the Cooperative and those associated with it during our audit for this year.

Sincerely,

Sikich LLP

SIKICH.COM

Members of the Board of Directors
and Management
Intergovernmental Personnel Benefit Cooperative
Oak Brook, Illinois

Ladies and Gentlemen:

In planning and performing our audit of the basic financial statements of Intergovernmental Personnel Benefit Cooperative (the Cooperative) as of and for the year ended June 30, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Cooperative's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Cooperative's internal control. Accordingly, we do not express an opinion on the effectiveness of the Cooperative's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management the Board of Directors, and others within Intergovernmental Personnel Benefit Cooperative, and is not intended to be, and should not be, used by anyone other than these specified parties.

Sikich LLP

Naperville, Illinois
